**First Trust Bank Building Nearing Full Occupancy**

**Kankakee, IL** – Two tenants recently called the First Trust Bank Building in downtown Kankakee their new home. New Hope Counseling moved their office to the second floor space and Aflac opened a district office for Kankakee, Illinois on the same floor. With the leases the occupancy is now over 92% in the building with only a 1,350 square foot suite available for lease. Nugent Curtis Real Estate represented the transactions.
